

TRUTH-IN-SAVINGS DISCLOSURE

REGULAR SHARES ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union board of directors.

Compounding and crediting – Dividends will be compounded every quarter. Dividends will be credited to your account every quarter.

Dividend period – For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow the same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is April 1.

If you close your account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

The minimum required to open this account is the purchase of a share in the credit union. Please see the bylaw requirements in the Common Features section for additional information.

Daily balance computation method – Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of dividends on noncash deposits – Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

Par value of a share:

The par value of a share in this account is \$25.00.
